EXPERIENCE

2011 **Tax Connection BV** **partner**

Jan is corporate tax specialist with Tax Connection, a Dutch boutique of tax specialists.

From his experience during his professional career, Jan has gained a broad experience on the field of general tax, corporate and personal income tax, and international tax issues. Furthermore, Jan is experienced in managing tax controversies.

His specialization areas are international tax, transfer pricing, financial instruments, horizontal supervision and tax litigation. Jan combines theoretical knowledge with practical experience, gained when developing and implementing tax structures for his clients, and in his years as a tax inspector.

Jan has a Master's Degree in Economics from the University of Tilburg (major in Tax).

He is a member of the Dutch Association of Tax Advisors ('NOB').

2008 - 2011 **Deloitte** **senior tax manager**

Jan was responsible for coordinating all clients' tax affairs such as identifying tax opportunities, monitoring tax risks, supporting tax audit defenses, reviewing and monitoring compliance.

1983– 2008 **Tax authorities** **senior tax inspector**

Jan has been concluding advanced tax rulings, leading tax audits, complex tax negotiations and litigation.

He was involved with implementing tax regulations as a member of the knowledge group for the participation exemption and the anti-tax evasion group.

Jan has also been concluding horizontal supervision agreements.
